"C" STANDS FOR A LOT O' JUICY THINGS

AS RAD FOLKS, UNDERSTANDING AND PRACTICING CONSENT GOES HAND IN HAND WITH RESPECTING OURSELVES, PARTNERS, AND ALLLL MARGINALIZED BODIES AND IDENTITIES THAT EXIST! ALTHOUGH WE MAY BE QUICK TO CONSIDER OURSELVES CONSENT BUFFS, THERE IS ALWAYS MORE TO LEARN. IF YOU ARE SOMEONE WHO HAS SEX OR ENJOYS READING THE NUANCES THAT SEX INCLUDES, PLEASE INDULGE IN THESE HELPFUL TOOLS AND TIPS TO KEEP IT FRESH AND RESPECTFUL.

\*CONSENT IS NOT LIMITED TO SEXUAL SITUATIONS AND MOST ALL OF THE CONTENT BELOW CAN BE CRAFTED TO FIT ANY SITUATION OF YOUR CHOOSING!  
ON THAT NOTE : LETS BRUSH UP ON HOW TO GET IT ON BEFORE GETTING IT ON.

CONSENT IS....

1. **CONSENSUS.** ALL PARTIES MUST AGREE ON THE ACTIVITY.
2. **INSTANTLY REVOCABLE.** YOU ARE ALLOWED TO CHANGE YOUR MIND AT ANY POINT, EVEN MIDWAY INTO AN ACTIVITY.
3. **A WAY TO MAKE EVERYONE FEEL SAFE, RESPECTED, HONORED AND APPRECIATED.**
4. **AN OPPORTUNITY TO USE YOUR VOICE AND DISCUSS LIKES AND DISLIKES.**
5. **REVOLUTIONARY.** WOMEN/FEMME/FEMALE BODIES ARE TREATED AS PUBLIC PROPERTY. PEOPLE ARE CONSTANTLY TELLING US HOW TO LOOK AND ACT. PEOPLE TOUCH US WITHOUT ASKING ALL THE TIME. MEN, ESPECIALLY, ARE TAUGHT THEY SHOULD "TRY TO GET" AS MUCH AS THEY CAN, AND WOMEN ARE SUPPOSED TO TELL THEM WHEN TO STOP. THIS DYNAMIC IS WHAT PEOPLE ARE DEALING WITH DAILY,

AND IT'S THE BAGGAGE WE BRING WITH US WHEN WE GO TO BED WITH SOMEONE, REGARDLESS OF GENDER.

YOU HAVE THE POWER TO UNDO A LITTLE BIT OF THIS TERRIBLE DYNAMIC, SIMPLY BY ASKING YOUR PARTNER WHAT SHE WANTS, AND WAITING FOR HER TO SAY YES.

IT MIGHT NOT CHANGE ANYTHING IN YOUR WORLD, BUT IT CAN HELP HER GIVE BACK A LITTLE BIT OF HER VOICE THAT'S BEEN TAKEN AWAY BY SOCIETY AT LARGE.

BEFORE SEX

YOU WANT TO MAKE SURE YOUR DESIRES AND INTERESTS ARE COMPATIBLE WITH YOUR PARTNERS. LOOK FOR AN ENTHUSIASTIC "YES".

1. STI STATUS
2. RELATIONSHIP STATUS/ AGREEMENTS
3. "NO ZONES" PARTS OF YOUR BODY YOU DON'T WANT TOUCHED
4. DISLIKES
5. LIKES AND INTERESTS
6. WORDS TO USE. IF CERTAIN WORDS MAKE YOU CRINGE, LET YOUR PARTNER KNOW "DON'T CALL IT A \_\_\_\_\_, CALL IT \_\_\_\_\_"

DURING SEX

CHECKING IN IS SEXY! IT MEANS YOU CARE ABOUT YOUR PARTNER'S PLEASURE, COMFORT AND EMOTIONAL STATE. THESE ARE GOOD THINGS!

WHY CHECKING IN WORKS:

1. IT SAVES EMOTIONAL PAPERWORK THE NEXT DAY. "JUST GOING WITH IT" MAY FEEL GOOD IN THE MOMENT - BUT IN THE LIGHT OF DAY YOU MAY HAVE SECOND THOUGHTS.
2. IT INSURES YOU GET WHAT YOU ACTUALLY WANT.
3. IT HELPS YOU GET A SECOND GO AROUND. IF YOUR PARTNER FEELS RESPECTED AND HEARD, SHE'S MORE LIKELY TO WANT TO SEE YOU AGAIN.

AFTER SEX

KNOWING WHAT YOU LIKE AFTER SEX IS GOOD. IT CAN HELP YOU DEAL WITH ANY AWKWARD POST COITAL CONVO. EX "ARE YOU A CUDDLER?" "DO YOU WANT TO SHOWER RIGHT AFTER?" "ARE YOU TIRED?" "DO YOU WANT TO RUN LAPS?"

\*\*\*\*\*

AND THAT IS THAT! BIG THANKS TO GIRLSEX 101- WRITTEN BY ALLISON MOON & KD DIAMOND - TWO BADASS FEMMES WHO TEACH ADULTS ABOUT SEX! SUPPORT THEIR WORK AND GET YOURSELF A COPY OF THEIR BOOK. EVERYONE WILL THANK YOU

BE GOOD TO YOURSELF AND BE GOOD TO YOUR SWEETIES, TOO.

XOXO

**The Fun Corner**

**Card Game:** 13 (Korean-style) **What you need:** 1 deck of playing cards including jokers, 3-4 people, surface to play on. Best w/4 peeps.

**Playable hands:** -You can play singles. You can play doubles/pairs. You can play triples/3 of a kind. You can play straights of 5 cards or more- no wrap-arounds. There are also two types of bombs you can play. The first type is a quad/4 of a kind. The second is a double-straight of at least 10 total cards. Example: 4,4,5,5,6,6,7,7,8,8.

**Bombs:** Bombs can be played on any hand type and beat any normal hand. So you can play 4 3's on a 9-card straight. Catch is, that the only thing that can beat a bomb is a higher one. 4 aces beats 4 Jacks. And a double-straight bomb beats any quad.

**Objective:** Get rid of all your cards as quickly as possible. Make it more difficult for your opponents to get out quickly if possible.

**How to Play:**

- Deal the cards out one at a time to each person until the whole deck is dealt. Each player should have the same number of cards.

- Sort out your cards from highest to lowest, with 3's as the lowest card and the higher cards in order of value as follows: J, Q, K, A, 2, Joker (the color joker is higher than plain joker). Then, sort out your cards by hand type - pairs, 3 of kind, straight, bombs, etc.

- The 3 of spades always starts a new game, so whoever has this card has to start out by playing it, however they'd like. So it can be as a single, a straight, whatever.

- The next person in the rotation (follow the order of how the cards were dealt, duh) has to play a higher card of the same type of hand as what the previous person played. So singles on singles, doubles on doubles. The play must be higher than the previous hand. If you can't or don't want to play a hand on your turn, you can "pass".

- You play each hand until no one can beat it. So when you play a 2 and everyone else passes, you then get to start off the next hand with whatever hand-type you want; pair, triples, straight, whatever.

-Don't clear cards, leave the old hands right underneath whatever new hand you play, each time.

- Keep going til everyone gets rid of their cards. First one out wins! Last one out loses.

- Loser shuffles and deals. They also have to give their highest card to the winner. The winner then gives whatever card they need to get rid of to the loser, or can honor a request by the loser if they'd like for a specific card. Loser starts the round however they want. \*IF - the loser deals themselves both jokers, then they don't give their highest card to the winner. No cards are exchanged and the winner starts the hand off.

Shit to try: 1. Sticking your face between two leather couch cushions and blowing to make the loudest fart noises possible  
 2. contortionist shit  
 3. Put coins on the pool table and leave (nice thing to consider doing)  
 4. Home improvement  
 5. Single handedly bring back parachute pants  
 6. Sing the killers at punk rock karaoke

10/10 would hit up again  
 Twisted Tea - Perfect breakfast drink but its also really good any time of the day. It doesn't make your breath smell like alcohol. But im talking about 24oz. they fit into your vest pocket. Theyre not terrible even when they get warm. It makes people wonder about you when you bring them to a party. It's a conversation starter. I think, I feel its healthy. My doctor never told me ..not... to drink them. they come in recyclable containers.  
 Them: "can I have a downside..?"  
 Me: "Yes"  
 Them ( sighing) "They don't accept my photos"  
 Eblen Short Stop - Best gas station this side of the Mississippi. These people got jokes and boy, are they funny! They DID call the cops once, you should know that. They've got 40oz's, cigs, lotto tickets, and there's nice graffiti on the premise to peep which is a big up (Amboy Rd)  
 Waste of My Fucking Time  
 Fucking Planes, Man - Hadn't been on a plane in like 7 years and boy did it rock my world this time. Tickets are so fucking expensive and there are cops everywhere you look. Most are too busy on their phones to profile you (for the most part) but still theyre fucking gross. I had to pay 125\$ for my tiny ass cat to go under my seat (they caught me red handed trying to avoid that) AND while I was searched at TSA I was "randomly selected" to have my phone checked for "explosions". JFC it's a goddam iphone 5, LAY OFF!  
 2017 amiright - First off, it smelled bad. Shit was fucked up, like the whole time. Its only gettin' worse folks. My dog wont stop eating the cat poop - she's going right now. I hardly growed this year. "I, I've been in a constant plateau since 2015. It's gotta go" "Caught some felonies, and they're still there."

**Daddy's White Hot Top 5**
